WELCOME TO A NEW YEAR AT COVENANT CLASSICAL SCHOOL!
More information will be sent as we near the 2021-2022 school year.

Thank you for joining us!

Welcome to the Covenant Classical School community!

We are delighted your family has chosen Covenant for your child. Education is a profoundly formative experience in the life of a child, and we believe the choice you made will have a life-shaping impact.

The mission of Covenant Classical School is to provide an exceptional education in the classical tradition that honors Jesus Christ as the beginning and end of all truth, goodness, and beauty. We are distinctly classical, Christian, and a community of grace. These three themes will be woven throughout your child's daily experience.

Our classical model teaches students to think deeply, read widely, and write well. We use proven teaching methods that have stood the test of time, and our students wrestle with the ideas that have shaped our culture. The curriculum is intentionally designed to help students find deep satisfaction and joy in learning at every grade level and to learn to express their own ideas with clarity and logic.

While studying great literature, history, Latin, math, science, music, and art, your child will be challenged to understand ideas and values that are informed by the historic Christian faith. By including this dimension of learning in the classroom, our students come to understand the world in which they live in a way that is complete and fits together.

All of this is done within a community of grace in which students are known and loved for who they are, and where kindness and respect for others are the norm. Our vision, and the outcome of our mission, is for Covenant students to discover the joy of learning and the grace of Jesus Christ.

We are partners with you in this sacred calling; please feel free to contact me directly with any questions you might have along the way. We hope the enclosed packet of information will be helpful to you as you prepare for the start of the school year this fall.

Love to you in Christ,

CLASSICAL AND CHRISTIAN SCHOOLING IN A COMMUNITY OF GRACE

COVENANT
CLASSICAL

Statement of Faith

Covenant Classical School is governed by an independent board of trustees and is not part of the ministry of a specific church or officially associated with any particular Christian denomination. Our school community welcomes families from a wide variety of traditions within the historic Christian faith including Protestant, Catholic, and Orthodox. *Our statement of faith reflects the beliefs held in common by all Covenant faculty and staff and are taught to students throughout all aspects of our program.*

The Trinity

We believe in one sovereign God, eternally existing in three persons: the everlasting Father, His only begotten Son, Jesus Christ our Lord, and the Holy Spirit, the giver of life; and we believe that God created the Heavens and the earth out of nothing by His spoken word.

The Bible

We believe that God has revealed Himself and His truth in the created order, in the Scriptures, and supremely in Jesus Christ; and that the Scriptures of the Old and New Testaments are verbally inspired by God and inerrant in the original writing, so that they are fully trustworthy and of supreme and final authority in all they say.

The Church

We believe that the one, holy, universal Church is the body of Christ and is composed of the communities of Christ's people.

Jesus Christ

We believe that Jesus Christ was conceived by the Holy Spirit, born of the Virgin Mary, and was true God and true man, existing in one person and without sin; and we believe in the resurrection of the crucified body of our Lord, in His ascension into heaven.

Sin

We believe that our first parents sinned by rebelling against God's revealed will and thereby incurred both physical and spiritual death, and that as a result all human beings are born with a sinful nature that leads them to sin in thought, word, and deed.

Salvation

We believe that the Lord Jesus Christ died for our sins, according to the Scriptures, as a representative and substitutionary sacrifice, triumphing over all evil; and that all who believe in Him are justified by His shed blood and forgiven of all their sins.

Faith

We believe that all who receive the Lord Jesus Christ by faith are born again of the Holy Spirit and thereby become children of God and are enabled to offer spiritual worship acceptable to God.

Jesus' Return

We believe in the blessed hope that Jesus Christ will soon return to this earth, personally, visibly, and unexpectedly, in power and great glory, to gather His elect, to raise the dead bodily, to judge the nations, and to bring His Kingdom to fulfillment.
