THE COVENANT UNIFORM

FREQUENTLY ASKED QUESTIONS

Why does my child need to wear a uniform?

At Covenant, we have chosen to utilize uniforms for the benefit of both our students and parents. Uniforms help promote an atmosphere of learning where students can be focused upon learning and building relationships rather than upon comparing themselves with others or becoming distracted by outward appearance. Many families have also found the use of uniforms extremely cost-effective for managing students' wardrobes throughout the course of their children's education. Moreover, parents have expressed gratitude for uniforms as their use has helped to ease the morning routine at home. Lastly, uniforms encourage that sense of belonging we seek to create at Covenant where children are known and loved for who they truly are. We delight in seeing our students flourish in creatively expressing themselves through their personalities, schoolwork, and activities.

Uniforms are expensive. What should I do?

While the use of uniforms have actually been shown to decrease the cost of clothing children in the long-run, we do understand that building a uniform wardrobe can be costly at the outset. With that in mind, we encourage our families to pair their Land's End uniform items with or match similar basics from other more cost-effective uniform providers. For example, classic navy skirts/pants and white shirts/blouses may be purchased from other providers such as Children's Place, Target, Old Navy, or French Toast. Covenant also offers an end of the year second-hand sale to families within our community to repurchase outgrown and gently used uniform items.

When can my child wear shorts?

Boys in both the Grammar and Logic Schools may wear shorts before October 1 and after April 1 during the warmest months of the school year. Girls have the option of wearing skorts or skirts throughout the year.

When can my child wear leggings?

Girls may wear leggings under their skirts at any time with the exception of school programs. We ask that all girls wear knee-high socks to school programs for uniformity.

Leggings must always be worn under a skirt. During winter months, leggings are also permitted with the special dress uniform on Fridays to protect our students from cold temperatures at recess.

Where can I purchase the uniform clothing and shoes?

Several of our items must be purchased through Land's End, our primary uniform provider, for the sake of brand consistency. These items include the Logic School blazers, cross ties, striped ties, and all of our Covenant plaid items. This also includes any of our red items such as the girls' sweaters, fleeces, and polo shirts. Because reds fluctuate in color tone among other companies, this allows our uniform to stay consistent. Requiring the embroidery on the red items helps ensure this uniform consistency. All embroidery must be done through Land's End as well. All other items may be either be purchased through Land's End or may be matched by a another provider. These providers include Children's Place, Target, Old Navy, French Toast, Gap, and Cat and Jack.

Why are Logic School students required to wear a blazer?

As our students enter the Logic and Rhetoric school years, we want them to be prepared to stand before others with professionalism and well-prepared for their years beyond Covenant. Utilizing the blazers promotes this atmosphere of learning in our school environment and also the professionalism we seek to instill in our students. We have chosen to make the use of our embroidered logo optional for the blazers to enable students to use these items for other occasions outside of school functions.

Why can't my child wear watches/jewelry in the Grammar School?

We have found that watches and jewelry of any kind can be distracting in the Grammar School years, not only for the child wearing them but for those around them.

Are these shoes okay?

When wearing the Special Dress uniform, all students should wear dress shoes as outlined in our uniform code. The Daily Dress uniform code allows students to wear dress shoes or white and plain-colored tennis shoes. We ask that you refrain from buying high-top shoes or those with glitter or characters on them. While we recognize that neon is in fashion, we ask that you look for shoes that have minimal, or if possible, no neon as these can be a distraction as well. Shoes that are entirely neon will not be permitted.

My child's uniform clothing has holes and stains. What should I do?

It is common for some wear and tear to occur on uniforms by the end of the school year. We ask that clothes that are heavily stained or torn not be worn at school.

My children have outgrown their uniforms. What should I do with the clothes now?

We encourage all families in our community to consider donating or selling their gently used items in our second-hand sale. This is a blessing to our current families and also allows us to steward our resources as a community well. Thank you to so many families that actively help care for the needs of our community members in this way!

UNIFORM SHARE & PLAID SALE

Each year the school provides an opportunity for our community members to share (donate) gently-used uniform items. Plaids may be sold and purchased at the Uniform Share & Sale. More information will be provided in the spring each year.

UNIFORM PROVIDERS

Land's End - Our Primary Uniform Provider

Create an online school account at <https://www.landsend.com/shop/school/>.

Register your child(ren) under Covenant Classical School.

All approved uniform items will be displayed for purchase under this account.

Spirit wear can be viewed when adding children to the account. Select the spirit wear option under the Grade Level drop-down menu. This will enable you to purchase our spirit wear t-shirts and hoodies.

Blazers, cross ties, striped ties, red items, and all plaid items must be purchased through Land's End for uniform and brand consistency. Basics may be matched through other providers.

Be on the lookout for 40% off coupons!

Other Providers

For the items not listed above, you may match the Land's End basics from other providers. Many families find similar items offered through Children's Place, French Toast, Gap, Old Navy, and Target.

If you have any questions or concerns regarding our uniform policy or where to purchase these items, please contact us; we would be happy to assist you!
